Subject: GW Parade - THANK YOU!

Hello Rick Bunn:

From all of us on the George Washington Birthday Celebration Committee, this is a note of thanks to you and everyone associated with who helped in making our celebration so memorable this year. We honestly could not do it without those that organized groups, designed parade units, the more than 2,500 individuals that marched in the George Washington Birthday Parade; not to mention the more than 100 volunteers who perform all the tasks that made it all work. The mild, sunny weather didn't hurt either!

We cannot thank you enough!

Every year we start off with an operational plan and a timeline. We work hard to execute that plan and to keep to the timeline. But we recognize that we need to adapt to changes and look for ways to improve so that our events keep getting better. In order to do this, we need help from you, as a person on the front lines, to tell us the absolute truth about your experience. What went well, and what did not; and how we can improve. Please take a few minutes to give me some feedback; and your ideas and suggestions as well.

...and please put us on your calendar for next year when Parade Day will be Monday, February 15, 2021; you will start hearing from us after Labor Day (in only 200 days).
