Radio Amateur Training Planning
And Activities Committee

ratpac.plan@gmail.com

Radio Amateur Training Planning and Activities Committee (RATPAC) comprises ARRL section managers, appointed field leadership, and membership. Together, we host nationwide Amateur Radio Zoom presentations twice-a-week, Wednesdays on general radio topics and Thursdays on amateur radio emergency communications. The topics are selected from audience recommendations that the planning committee then seeks topic experts or discussion panel members. The presentation audience consists of thousands of amateur radio operators worldwide who participate directly in the Zoom sessions or with video links of the presentation and related documentation sent out after each session.
