

“Mobile” Shack-in-a-Box

“Mobile” Radio Shack – All or nothing price: \$850

- Very heavy when all equipment was installed
- System is disassembled
- Missing two bolts to fully mount bottom front rack

“Mobile” Radio Shack

- **All-or-Nothing:** flip through the rest of this document to get more detail on what works, what might work, and what probably doesn't work.
- **Individual Component Sale:** if there are no all-or-nothing takers, the items will be sold to ARC members. Remaining items will go to a ham fest or recycling.
- **Timeline:**
 - All or Nothing – **Ends Friday October 16th**. If no takers...
 - Individual Component Offers will open **October 17th and end October 23rd**
- **Buyer Selections:**
 - Multiple buyers for the same item, at the same offer price will be drawn randomly
 - No “bidding wars” above the listed price, however, highest of “or best offers” will be selected.
 - Transparency: W4HFH Board Members will retain visibility of buyers and offer to ensure no funny business

GatorCase - ~8U Powered Rack
