Subject: CORRECTION to ANNOUNCEMENT: MDC Section EMCOMM Challenge, 5-11 March 2023

QSY means to Change Frequency

QST is the proper Q-Signal to get attention

Please make the following correction:

* ESTABLISHING FLDIGI MT63-500S CONNECTIONS (P = Participant. TS = Target Station)

P - Tune radio to TS dial frequency.

TS - QST QST de N3HU N3HU, QST QST de N3HU N3HU (call periodically, QST=calling all stations).

P - Precisely align cursor to TS signal, to obtain good copy. The display center frequency should be at, or near, 1500..

P - Once good copy is established, respond N3HU N3HU de KB3XYZ KB3XYZ I have H&W traffic.

TS - RR KB3XYZ good copy, pls send your traffic.
