
 Calvert County Division of Emergency Management 		
Emergency Operations Center Activation Level: <i>Enhanced</i> <i>Situation Report #1</i>		
Incident Name	Jan 6 2025 Snowstorm	
Operational Period	OP1, 01/06/2025 0600 - 1800	
Situation Summary As of 08:00	A Winter Storm Warning remains in effect through this evening. Snow is expected during this period, which could mix with freezing rain and sleet at times. Moderate to locally heavy snow will continue to move across southern Maryland early this morning, leading to deteriorating travel conditions. Snowfall rates of 1 to 2 inches per hour are possible, and visibility may drop to one-quarter mile at times, creating hazardous travel conditions. These heavier snow bands will depart from west to east between 5 and 10 AM.
