

Ham Radio Tech Field Day

Black Forest, Colorado

Sat June 25th, 2016 (8:00 AM to 5 PM)

Location: Black Forest Fire Station 1

11445 Teachout Road, Colorado Springs

Talk-in Frequency: 147.42 MHz

Come to our one-day education and radio operating event.

- Learn from informative presentations on amateur radio topics
- Operate a high frequency (HF) radio station with the helpful guidance of an experienced radio ham
- Learn about emergency communications and public service
- Have a bunch of fun messing around with ham radio stuff!
