**The Technician license is your gateway to the world-wide excitement of Amateur Radio, and the very best emergency communications capability available!**

- Earn your ham radio Technician class radio privileges
- Pass your FCC amateur radio license exam right in class on the last day
- Multiple-choice exam, *No Morse Code Required*
- Learn to operate on the ham bands, 10 meters and higher
- Learn to use the many VHF/UHF FM repeaters in Colorado
- Find out how to participate in emergency communications

Class registration fee: \$30 adults, \$20 under age 18  
*Advance registration is required.*

**Note: the FCC now charges a \$35 license fee to issue your license, payable after you pass the exam.**

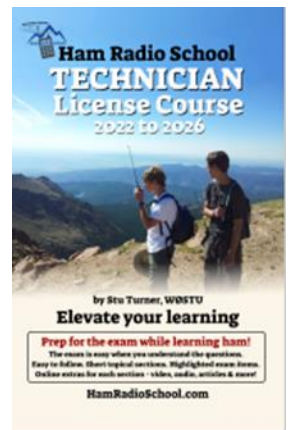

Students must have the required study guide:

***HamRadioSchool.com Technician License Course  
Third Edition, 2022 – 2026***
