

# Ham Radio License Class

Buena Vista, Colorado

**The Technician license is your gateway to the worldwide fun and excitement of Amateur Radio**

- Earn your ham radio Technician class license
- Pass your FCC amateur radio license exam in class
- Multiple-choice exam, *No Morse Code Required*
- Learn to operate on the ham bands, 10 meters and higher
- Learn to use the many VHF/UHF FM repeaters in Colorado

**Sat June 1 1-3 pm In-Person Kickoff Session**

**Wed June 5 7-8 pm Online - Review session via Zoom**

**Wed June 12 7-8 pm Online - Review session via Zoom**

**Sat June 15 1-3:30 pm In-Person Review and Exam Session**  
**(Exam session is open to everyone)**

Most of the course content will be delivered via the **Ham Radio School** online system, requiring about 15 hours of independent study by the student. The content is delivered in bite-sized video lessons, followed by online quizzes to check your knowledge. Our instructors will provide additional instruction and coaching during in-person and online sessions.

Online sessions will be held using Zoom.

The in-person sessions will be at Casa Del Rio Clubhouse in Buena Vista.

**The fee for the class is \$29.95.**

*Advance registration is required, by May 24th.*

**Note: the FCC also charges a \$35 license fee to issue your license, payable after you pass the exam.**
