

DX Engineering Presentation

DARA Clubhouse

Saturday, December 9, 2017

9 a.m. to Noon

Tim Duffy, K3LR will kick it off giving a presentation on HF Operating. He will cover the Basics of Contesting and DXing as well as Basic Antenna Operations

Cory Gibson, W3CDG will present NVIS – Near Vertical Incidents Skyway, AKA, The Cloud Warmer. Cory will discuss Techniques and Antenna Designs for Improving Close in Coverage for Emergency Preparations using 80 and 40 meters.

Bob Naumann, W5OV will finish up and discuss DX Engineering Products. Bob will give an overview of the DX Engineering Product Line, Show Some of our Newest Products and Discuss the DX Engineering House Brands of Comtek and Butternut.

Each presentation will be followed by a short QA Session.

DARA will have Coffee and doughnuts. DX Engineering will have freebies and door prizes.
