GOOD NEWS: Buyers are reporting they are NOT dried out and work great.

Postage: 1 or 2 = \$6 3 or 4 = \$7 5 or 6 = \$11 (via First Class Package Service .. USPS)

Shipping: \$16.50 Priority flat rate will cover one, two or three dozen ribbons.

Unfortunately, I cannot squeeze a dozen into a 'small' flat rate box.

Comment from happy customer: I got the ribbons, and they work great! I had no idea just how dry my old one was – lol!

Another recent comment: It's amazing how nice these print vs the new stuff from Schwartz Ink.
