

Ham Radio General License Two-day Class

Black Forest, Colorado

Sat Sept 24 and Sat Oct 1 (8 AM to 5 PM) 2016

Location: Black Forest Fire Station, intersection Burgess Rd. & Teachout Rd.

The General License provides access to regional and worldwide communications on the HF bands via ionospheric skip, greatly expanding operational capabilities!

- Upgrade from Technician to General Class radio privileges
- Pass your FCC General Class amateur license exam Oct 8 *
- Live equipment demonstrations and activities
- Learn to operate on the HF bands, 10 Meters to 160 Meters
- Gain a deeper understanding of radio electronics and theory
- Take the next step with antennas, amplifiers, digital modes

Registration fee: \$30 (No FCC exam fee required at Oct 8 session) †

In addition, students must have the required study guide:

***HamRadioSchool.com General License Course
Second Edition, effective 2015 – 2019, \$22.95***

* Free FCC exam session on Oct 8, 2016 at Black Forest Fire Station on Burgess Rd. & Teachout Rd., 9:30 am.

† Current FCC Technician License required for registration. Advanced registration is required by Sept 10th or earlier. First-come registration acceptance until class is full.
