# Class Format

- Textbook: “The ARRL Extra Class License Manual. 10<sup>th</sup> Edition”
- 11 Chapters are divided into 9 groups
- Reading assignments are the responsibility of the student! (*If you miss a class keep reading up to schedule*)
  - The Extra Class means putting an **EXTRA** amount of study time
  - Classroom discussion will not replace doing the assigned reading and homework
  - Consider using supplemental study guides such as <https://www.hamradiolicenseexam.com/>

# How to Use the Book

- Web site URL's will be in **bold** print.
- Important words or phrases will be in *italics*.
- Sidebars contain interesting information or tell how current material relates to amateur radio.
- Throughout each chapter, there will be blue boxes with lists of question numbers.
  - Go to the back of the book & review those questions. Write down any questions you have trouble with.

# How to Use the Book

- Read the Chapters as Assigned
- Do the Practice Questions as called out in the reading
