

Ham Radio Classes Forming Now!

Calvert Amateur Radio Association Inc. will be holding a 10 week course where you can learn everything you need to earn your Technician **FCC Amateur Radio License**.

The Technician license is your gateway to the world-wide excitement of Amateur Radio ...

... and now you do NOT need to learn Morse code!

**Classes begin at Harriet E Brown
Community Center (Old-SMECO Building)**

*901 Dares Beach Road Prince Frederick, MD
March 29, 2017 thru May 31, 2017*

Registration is required. We will be meeting Wednesday evenings from 7:30 to 9:30 PM. There will be a test session at the completion of the classes so you can use your new license at our Annual Field Day in June! Hope to see you there!
