

JUNE 24-25, 2017 FIELD DAY CHECKLIST CONTRIBUTIONS

Version 2

NOTE: ***When you email me (Monica, KC3DAS, at mnoell1@verizon.net), please include your name, call sign, and contribution or sign-up.***

FIELD DAY SET-UP TIME--FIELD DAY START TIME--FIELD DAY END TIME:

Per Dave Hardy's email to K3CAL on May 20, 2017. Date and time period is always the fourth full weekend, beginning at 1800 UTC Saturday and ending at 2100 UTC Sunday. Field Day 2017 will be held June 24-25, 2017. 3.1. Class A and B (see below) stations that do not begin setting up until 1800 UTC on Saturday may operate the entire 27-hour Field Day period. 3.2. Stations who begin setting up before 1800 UTC Saturday may work only 24 consecutive hours, commencing when on-the-air operations begin. 3.3. No Class A or B station may begin its set-up earlier than 0000UTC on the Friday (Thursday afternoon or evening local time) preceding the Field Day period. Cumulative set-up time shall not exceed a total of 24 hours.

So, following the guideline, we will go for the 24-hour period and will start setting up prior to 1800Z (1400L). I suggest we start Saturday morning around 9 a.m. Break for lunch and rest before getting on the air. We will operate from 1400L or whenever we are ready for 24 hours or until 1359L+/_ on Sunday when we tear down and go home.

Equipment Note: See end of this list for all of the items being brought fto Field Day from Mount Hope storage by Shawn N3AE, Jim K3UGA, and Steve N3IPN.

VENUE

Richard Terlisner, AE3DT, is lead on the location of the Broomes Island Community Center. Very nice location and the building has large rooms for set ups and staging food as well as a kitchen and bathrooms. Very large grassy field area outside and no trees next to building.

LETTERS/INVITATIONS TO OFFICIALS

Dave Hardy, KB3RAN, is lead on this. Dave has mailed all the invitations and is in charge of the public relations, i.e., contacting the media.

ARRL REGISTRATION

TBD

ADVERTISING BROCHURES

Official poster for Field Day was sent as an attachment to email by Dave Hardy on May 20, 2017.

INVERTER “QUIET” GENERATOR AND POWER DISTRIBUTION PANEL

Provided by KC3EN and KC3DAS.

POWER/ELECTRICITY SOURCES

Includes: Generators, Deep Cycle 12v Batteries, HF RIG/Power Supply/MIC/Spare Fuses, VHF Satellite RIG/Power Supply/MIC/Spare Fuses, Extension Cords, Power Strips, Spare Fuses

Name/Call	Equipment Contribution
Tom, KB2BCG	Extension cords for power (120VAC)

GASOLINE/OTHER FUEL SOURCES [PROPANE]

Includes: Gasoline, Propane, etc.

Name/Call	Equipment Contribution
------------------	-------------------------------

LIGHTING

Includes: 115v Lights, Flashlights

Name/Call	Equipment Contribution
------------------	-------------------------------

RADIOS AND ACCESSORIES

Includes: Radios, Tuners, and Power Supplies

Name/Call	Equipment Contribution
Tom, KB2BCG	Kenwood TS-440S w/auto tuner and power supply
Tom, KB2BCG	Kenwood TS-480AT w/external tuner and power supply
Dave, KB3RAN	Digital Solar Station

ANTENNAE AND AUXILIARY ANTENNA EQUIPMENT

Note: If you have questions regarding antennas, please contact Steve N3IPN (Hempling).

Includes: Antennae (Dipoles and Verticals [ground independent preferred]), Antenna Supports/Poles/Towers, Antenna Insulators, Antenna Analyzers, Antenna Tuners, Slingshot and Fishing Reel, Feedline (50 or 75 ohm coax w/connectors both ends) and (450 ohm ladder line), Ropes and Pulleys

<u>Name/Call</u>	<u>Equipment Contribution</u>
Tom, KB2BCG	Short sections of coax
Jim, K3UGA	VHF Vertical antenna and mast w/ 50 ft of coax to use for the talk-in station
Steve, N3IPN	2 tripods w/poles and the Rohn 25 tower and baseplate; 40 meter dipole; 20 meter dipole; coax, extension cords; ropes; a pulley; multipurpose ladder
Dave, KB3RAN	Coax, connectors, AC power cords

MONITORING AND METERING EQUIPMENT

Includes: SWR Meters, Volt Ohmmeter, Battery Operated Clocks

<u>Name/Call</u>	<u>Equipment Contribution</u>
-------------------------	--------------------------------------

CABLES AND WIRES

Includes: Heavy Ground Wire, Ground Rods, Short Coax with PL259's, Adapters – Coax and Audio, Electrical/Duct Tape

<u>Name/Call</u>	<u>Equipment Contribution</u>
Tom, KB2BCG	Extension cords for power (120VAC)

COMPUTERS AND AUXILLIARY EQUIPMENT

Includes: PC's and Monitors for Logging, Surge Protectors, Headphones, Speakers, Keyers, Microphones, Inverter, and CIG Plug, CW Computer Interface

Name/Call	Equipment Contribution
------------------	-------------------------------

DATA RECORDING EQUIPMENT

Includes: Software, Blank Log Pages and Duplicate Sheets, Blank Paper, Pencils and Pens, Erasers, Battery Operated Clocks, Field Day Guidance, etc.

Name/Call	Equipment Contribution
------------------	-------------------------------

Monica Noell	Blank log pages and dupes, Blank paper, pencils/pens/erasers, Field Day Guidance, one battery-operated clock
--------------	--

TOOLS

Includes: *Any and Everything from Hairpins to Industrial Augers and Earth Movers*

Name/Call	Equipment Contribution
------------------	-------------------------------

FURNITURE

Includes: Tables, Chairs, Speakers, Cots, etc.

Name/Call	Equipment Contribution
------------------	-------------------------------

FOOD AND SERVING EQUIPMENT

Includes: Food, Drinks, Coolers, Ice, Cups, Plates, Utensils, Napkins, Paper Towels, Trash Bags, Grills

<u>Name/Call</u>	<u>Equipment Contribution</u>
Steve, N3IPN	Cincinnati Chile
Dave, KB3RAN	Saturday breakfast

PERSONAL PROTECTION/COMFORT EQUIPMENT

Includes: Hats, Sun Block, Jacket/Rain Jacket, Safety Vests, Insect Repellent, Toothbrush and Toothpaste, Soap, Wet Wipes, Water Bottle(s), Flashlights, Sleeping Bags/Bedding, Tents/Plastic Tarp and Clips, Cell phone and charger, Matches, Lanterns

<u>Name/Call</u>	<u>Equipment Contribution</u>
-------------------------	--------------------------------------

Best case scenario is to bring your own protection and comforts from home.

MISCELLANEOUS

Please include any items that are not on this list but that may be needed.

Zip ties, petroleum jelly

SET UP AND BREAKDOWN VOLUNTEERS

Dave, KB3RAN; Shawn, N3AE; Steve, N3IPN; Jim, K3UGA; Monica, KC3DAS; Ed, KC3EN;

ITEMS BROUGHT FROM MOUNT HOPE

Bucket of rope/pull cable
Carolina Windom antenna (80-10 with tuner)
Three CARA Banners
Four steel poles for banners
IBM desktop
Three FD road signs
Kenwood TS-440
Elecraft K3 & Mic
K3 manual
20A Astron power supply
Astron RS-50M power supply
Hex beam
Dell laptop
Length RG-213 with PL-259's
Two 100 ft lengths of RG-8X with PL-239's
Flat screen monitor
SX-600 power/SWR meter
Digital control cable for TS-440
D104 Mic
Yaesu FT-2400 2M transceiver
WiFi Router & power brick
LDG Z-11 ProII tuner
ACE power strip
Square 4 outlet box on extension cable
Practice CW key with tone generator
Weather radio

Thank you!

Monica
