### **Treasurer's Report:**

**General Fund Balance:** \$ 4,659.30

The membership voted to accept the Treasurer's report.

**2018 Budget:** The budget for 2018 will remain the same as the 2017 budget.

**Board Meeting:** There was a short Board Meeting held prior to the meeting.

- 1>. Ron / WA4PRR gave a repeater report requesting the purchase of two power controllers to allow the remote shutdown of the repeater power in case of a failure.
- 2>. A discussion on increasing membership was held. The board members will be reaching out to past members and new / unaffiliated hams in the corny.
- 3> Discussed the need for additional memory be our purchased for the website to have additional room for expanded pages.

Shawn / N3AE reported that the second rarest DX entity is Boubet Island. A DX expedition is preparing put it on the air soon. (The rarest DX country is North Korea .)

Shawn also reported that there will be a Region 5 Hospital Drill on May 3rd. Operations from Calvert Hospital are being planned. See the AUXCOM website for more information.

**Audit Committee:** The Audit Committee received the necessary information from our treasurer and and reported on the audit of the CARA books for 2017. The report from the committee is attached.

### **Old Business:**

**Website Failure:** Ron / WA4PRR reported the failure of the website to accept changes was finally traced to the lack of memory on the web host. The pages added overtaxed the memory space on the server. He recommends that additional space be purchased to allow expansion of the content of the site.

**Repeater Committee:** The repeater link ID problems were discussed and a fix is in the works. The repeater lock-up problems (experienced twice at Mt. Hope) were discussed. The need for a positive way to shut-down the repeater without a site visit once we move to the new shelter was also discussed. A recommended solution was presented to the members present. Further information will be provided before Implementation.
