

**Subject: 2023 Houston Marathon – Follow-up Request for Amateur Radio Volunteers - Houston Marathon (January 15, 2023) - Amateur Radio Positions**

**Message Date: December 11 2022**

Dear Lee Gaspard, WA5QXE

**The 2023 Houston Marathon season is quickly approaching!** I am asking for Amateur Radio Operators to volunteer for the Chevron Houston Marathon event for 2023. **It is the Marathon's 51<sup>st</sup> Year!**

The Chevron Houston Marathon is roughly **FOUR weeks away**. I am asking all Amateur Radio volunteers who intend to volunteer to please sign-up ASAP.

**Marathon Registration Pros:**

1. <https://hou.emos1.com/volunteer/RegisterVolunteer.aspx?code=HAM&eid=17> Official 2023 Houston Marathon Link
2. [www.hmhams.org](http://www.hmhams.org) Houston Marathon Hams Information Registration

You are receiving this email because you have volunteered in the past or have expressed interest in participating in 2023. These instructions contain details on how to register. Should you have any difficulties, please send me an email and I can forward more comprehensive details.

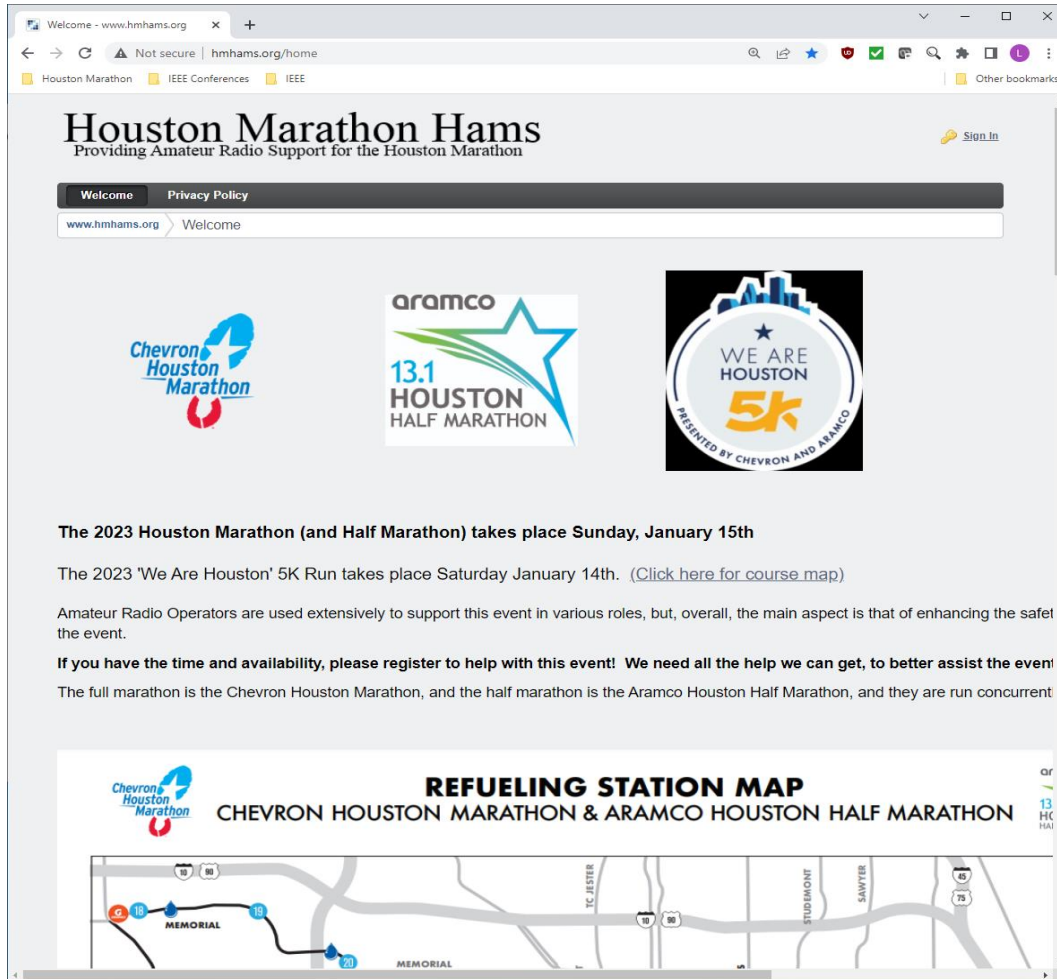

Thank you in advance for volunteering for the Amateur Radio Service activities for the **2023 Chevron Houston Marathon, Aramco Half-Marathon**, or the **We Are Houston 5K Race** as an Amateur Radio Operator and Communications volunteer.

The **2023 Chevron Houston Marathon (SUNDAY, January 15, 2023)** needs the participation of over **150 Amateur Radio Operators** and other volunteers to fully staff and to provide public service communications and related support. This is the **51<sup>st</sup> consecutive year for this event**. Last event over 100 communications volunteers helped assure the safety and welfare of the runners and uncounted number of spectators watching the race. This year, 30,000 participants, 7,000 volunteers, and 250,000 spectators are expected.

**Very condensed Houston Marathon Registration instructions:**

1. Register on [www.hmhams.org](http://www.hmhams.org) Houston Marathon Hams' web site to provide pertinent information for Amateur Radio Operator roles. The site enables one to volunteer by providing Amateur Radio specific information required for a "ham" Houston Marathon assignment. This site allows you to provide equipment details and to request specific assignments or provide ham radio details not permitted by the official Marathon EMOS web site. You will receive an email from the web site thanking you and asking you to simply reply back to the [hmhams.org](http://hmhams.org) website email. This step ensures that your email allows emails

from and to the server. This is important when Amateur Radio related information is being distributed later. The initial acknowledgement email may include instructions on how to register with the Houston Marathon Volunteer web site for Amateur Radio Operators (**step two below**).

1. Marathon Volunteer Registration Form using the link with the embedded ham link code. **Amateur Radio signup for Chevron Houston Marathon's Volunteer is**

**If you participated last year**, you may have already received a personalized email from the Houston Marathon. Click the link and you will be connected to EMOS into your established account. You may update information and add ham license information as shown below. Follow the instructions below. If you did not receive an email, just enter your email address, and hit “ENTER.” The EMOS registration system will send you an email if your email is already registered.

Dear Lee Roy Gaspard,

Please click on the link below to finish your registration:

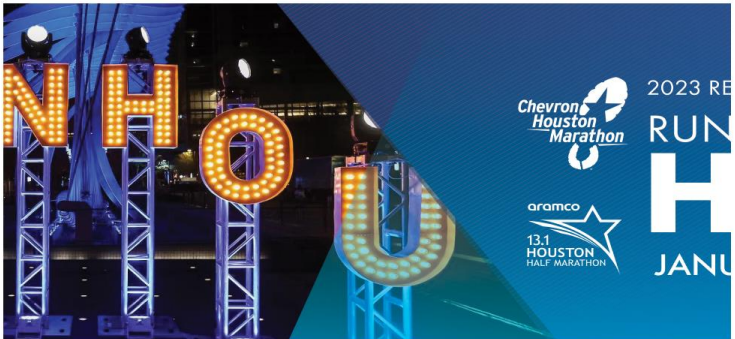

If you click the above link in this email, when you get to the Marathon’s sign-up page, type your email address first and hit enter. The web should offer to send you a personalized email with a personal link. Accept this offer, receive the email, and invoke that new link. You will return to the registration form with all your information from last year filled in.

- Correct and update any personal information that may be out-of-date information.
- Choose clothing sizes.
- **SINCE 2022 – ADD YOU CALL SIGN, LICENSE GRANT AND EXPIRATION DATES, AND UPLOAD A COPY OF YOUR LICENSE.** If you have already done so, it should still be on file.
- Select **“I am not part of a volunteer group”** for Volunteer Group drop-down panel.
- select your HAM position category for **Saturday and/ or Sunday positions** (*CLICK a position box to turn it to a blue check box and then click DONE CHOOSING SHIFTS BOX*), If **you do not see just ham radio assignments listed**, please enter **HAM** in the **Shift Application** field as shown below in this email.
- complete the legal parts, check the “I agree to waiver and terms and conditions” statement,
- enter the text from image, and
- submit via the **red REGISTER button**. You should receive a confirmation email.

# Personal Information Update

# Ham License Information

**Medical License** Click to expand

- TABC Certificate details may be requested.
- Driver's License (for Official Race Vehicles only) Certificate details may be requested.
- Special Class Driver's License (for ex. C-Class) Certificate details may be requested.
- Ham Radio Certificate details may be requested.

**Provide details for Ham Radio**

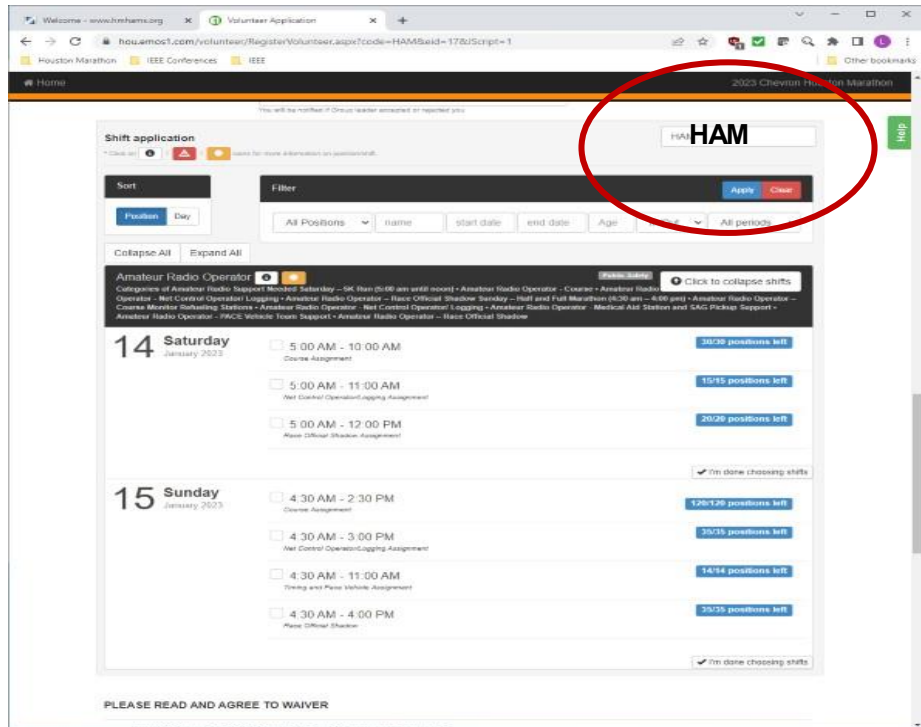

Choose File: 0002512879... C Copy.pdf

DOB: 6/16/1952  
Ham Radio Number: WA5QXE  
Issuing state: 03-12-2014  
Expiration date: 5/24/2024

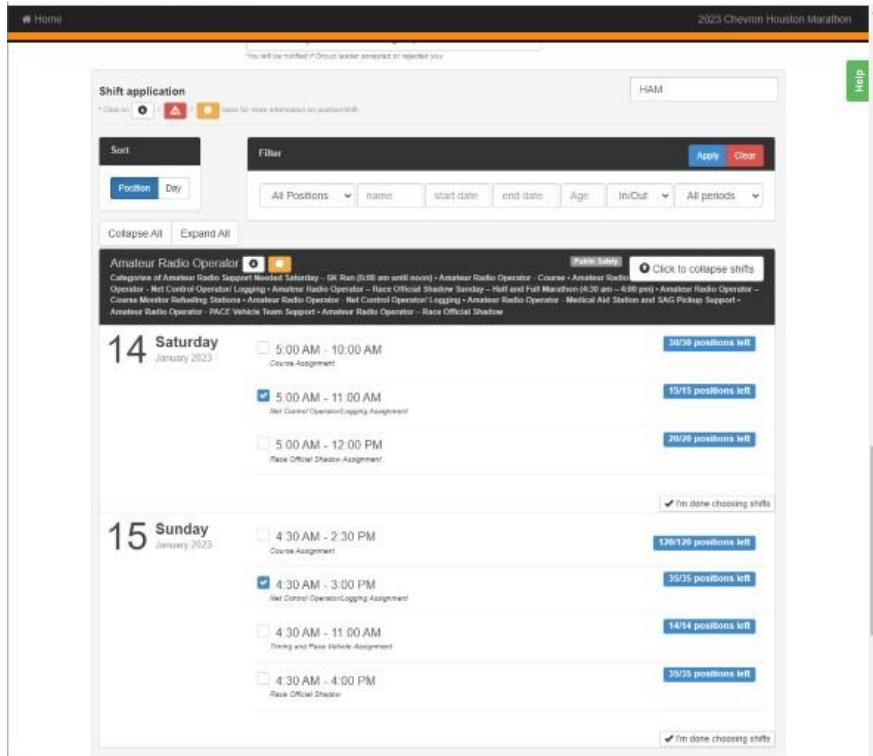

- Forklift Certified Certificate details may be requested.
- AED
- First Aid
- CPR

**crew Crew Vest (Unisex)**  
XXX-Large  
Subject to availability

**Shift Application Selection (ENTER HAM IN RIGHT SIDE OF SHIFT APPLICATION PANEL if it not already present).** HAM Radio Operators are a “hidden from public” volunteer group because of its special licensing requirements.

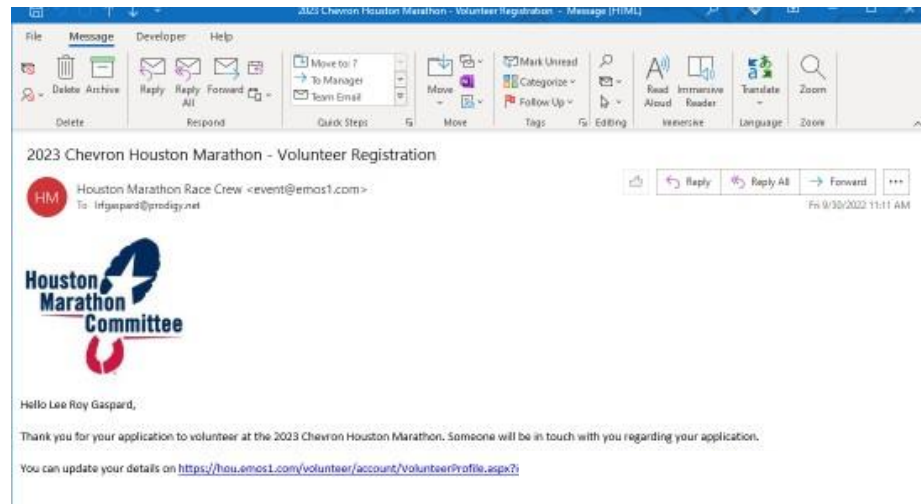

**Assignment/Shift Selection check boxes**

# Legal – Volunteer Waiver

# Successful Registration Indication

## **Confirmation Email**

## **NEW AMATEUR RADIO VOLUNTEER**

**If this is your first year**, simply fill out the form ([with information and choices listed/ demonstrated above](#)) and submit via the **red REGISTER button**. You should receive a confirmation email.

Note “**Amateur Radio Operator**” positions do not show on the Houston Marathon Volunteer public site and **require a special access code of HAM** on the regular volunteer page. **This “HAM” code is entered in the “access code if available” box on the Shift application box.** If you use the link above, this is filled out already as shown above.

**Please sign-up as soon as you can, even though the event seems so far in the future!** I have learned by experience that the apparel order is placed in late October. If you sign-up promptly, you will be part of the registrants who will get apparel in size you want and hence, most likely will fit!

**HOUSTON MARATHON VOLUNTEER DEADLINE WILL BE EARLY  
JANUARY 2023.**

2. Please follow all the instructions from each web site.

**Amateur Radio Operator volunteers must register at both the sites listed below:**

- **Houston Marathon's Volunteer web site** to complete required legal paperwork for the event, and to facilitate marathon interfaces for credentials and other matters
- **Houston Marathon Hams Website** [www.hmhams.org](http://www.hmhams.org) web site to provide pertinent information for Amateur Radio Operator roles.

## Position Needed

<p>The <b>We Are Houston 5K</b> will be held <b>Saturday, January 14, 2023</b>. Hams participating need to arrive at 5:00 a.m. and will be released between 10 am to noon depending on assignment.</p> <p>The <b>Chevron Houston Marathon</b> and <b>Aramco Houston Half Marathon</b> will be held <b>Sunday, January 15, 2023</b>. Hams volunteers need to arrive at 4:30 a.m. and will be <u>released between noon to 2:00 pm depending on assignment.</u> Race Official Shadows may be released as late as 4 PM.</p>	<p><b>Categories of Amateur Radio Support Needed</b></p> <p><b>Saturday – 5K (5:00 am until ≈10:00 am)</b></p> <ul style="list-style-type: none"><li>• <b>Amateur Radio Operator – Course (Refueling/ Water Stations &amp; Aid Station)</b></li><li>• <b>Amateur Radio Operator - Net Control Operator/ Logging</b></li><li>• <b>Amateur Radio Operator – Race Official Shadow</b></li></ul> <p><b>Sunday – Half and Full Marathon (4:30 am – 4:00 pm)</b></p> <ul style="list-style-type: none"><li>• <b>Amateur Radio Operator – Course (Refueling/ Water Stations &amp; Aid Stations/ SAG Stops)</b></li><li>• <b>Amateur Radio Operator - Net Control Operator/ Logging</b></li><li>• <b>Amateur Radio Operator - TIMING and PACE Vehicles</b></li><li>• <b>Amateur Radio Operator – Race Official Shadow</b></li></ul>
---	---

You will receive additional emails in the future with additional/ updated information. Thank you again for your help in the past. I look forward to working with you again this year.

73,

Lee Gaspard, WA5QXE { [wa5qxe@arrl.net](mailto:wa5qxe@arrl.net) ; 713-248-8853 cell}
