

Pine Bluff Amateur Radio Club 2 Meter Net Preamble

QST QST QST

This is (your call) , and my name is (____) , I will be the net control operator for tonight. Welcome to the Pine Bluff Amateur Radio club's 2 meter traffic, information and swap net.

This net meets each Tuesday night at 7pm local time except for the 2nd Tuesday when we have our face to face meeting at 6:30pm at the announced location. All licensed operators are encouraged to check in.

At any time an emergency arises, break in and state your name and call if you have one, we will try to assist you.

If you have traffic, an announcement, or a ham related item for sale or wanting to buy, please relay that when recognized after checking in. If it is a swap meet item, give a brief description and contact info. No prices can be discussed over the air.

Call for mobile, portable, or short of time check ins first.

Move on to all others next.

After last call for check ins, wait a few seconds and then close the net and return the repeater back to normal use.

Example for use: Cater to your style or use verbatim, remember you control the net.....
