**From our Chairman**

Dear members and readers of this QTC,

in my response as chairman of the MF-Runde it is in my vital interest to greet you on this way and to say thanks for membership of all the foreign MF hams. Due to long distances and the associated costs it's surely not ever possible for you to take part in our MF meetings. But I have the bold idea that you could easily participate in our weekly radio sessions taking part on various frequencies in different modes. For example it's a great fun for all participants in the Thursday's CW radio meeting on 7.025 kc at 09:00 UTC working only with a hand key, while elbugs or wobblers are not allowed. Or if you are not so familiar with the CW mode you are heartily invited to take part in the SSB chat every Wednesday on 3.625 kc at 16:30 UTC (see also page 20) or in every other MF action which are timely described on our homepage.

Whatever, every radio session is always particularly suitable for collecting points for all the attractive MF awards you can inform about on our website [www.marinefunker.de](http://www.marinefunker.de) extensively.

I would like to hear you on bands. Welcome in the MF radio sessions, have fun.  
Cu and vy 73

Albert, DF8LD (MF797 and chairman)

**The Treasurer thanks our members for their donations in 2012**

Dear MF-Runde Members,

Many thanks to all those who in 2012 supported our society with their donations, whether great or small:

**MF052 Georg Suck, MF085 Paul Eugen, MF176 Wilhelm Abt, MF235 Jörg Roller, MF325 Jörg Mandt, MF329 Wolfgang Isensee, MF415 Rolf Loose, MF529 Uwe Kastner, MF543 Manfred Lüben, MF573 Jens Puzik, MF594 Martin Köhler, MF706 Axel Wagner, MF713 Onno Heyen, MF756 Bert Jakobs, MF772 Michael Walter, MF790 Brigitte Hagedorn, MF822 Peter Hille, MF865 Dieter Groß, MF928 Josef Mazzel, MF963 Armin Bingemer, MF972 Ivor Morgan-Jones, MF976 Peter Nieuwenburg, MF 1013 Hans Bühler, MF1018 Gerhard Weißenböck, MF1041 Vincent Van der Hyde, MF1047 Fabio Bonucci.**

**Defaulter of the MF Membership Fee  
by 23.04.2013  
(reminder)**

To simplify the Committee's work load by reducing writing and mailing of reminders we decided to remind in this way those MF Runde members who did not pay their dues by 31th March of the current year. For the first time those are mentioned in this issue of our newsletter.

We assume that the missing payment has only been by an oversight and the matter will be soon solved. However who does not respond on this reminder will receive by the end of July a 2<sup>nd</sup> and final reminder by mail. On the Committee Meeting in September 2013 we are obliged if necessary to decide about the exclusion of members who did not pay - even if it is always hard for us - but only fair to all other members.

Exceptions: Some members like to pay their dues late at our exhibition stand on the HAM RADIO in Friedrichshafen. We would appreciate if you inform us by end of March via [mf-vorstand@lists.darc.de](mailto:mf-vorstand@lists.darc.de) (attn: treasurer). But not to forget: There are also very outstanding payers from whom we get the payment in cash for the following year at our exhibition stand on the HAM RADIO.

**Treasurer's appeal:**

Dear members,

Hereafter we call up those who did so far not pay their 2013 dues of 25,- Euros (German speaking countries) or otherwise 15,- Euros. According to the MF regulations §4 Abs. 3 , the dues must be paid within the 1<sup>st</sup> three months of a year.

**MF680 OH1LD Arto, MF695 OH2RL Veikko, MF707 OH6RJ Kalevi,  
MF873 G0TIZ Bob, MF936 4Z5LA Ruslan, MF972 M0IMJ Ivor,  
MF1027 UA9FGR Konstantin, MF1041 K7VV Vincent**

Who likes to pay by PayPal, I request to send an e-mail to [mf-kasse@ewetel.net](mailto:mf-kasse@ewetel.net) , to enable me that I can send a PayPal payment request..

If the payment has already be done in the meantime please send me the proof.

## Mario DJ8NU MF1054 reports about a meeting with US submarine veterans

At 27th April 2013 I was called to assist as translator on the submarine U-461 in Peenemünde. There we had a visit of two submarine veterans from Los Angeles. Lieutenant Commander Hensen (in the photo at right with sunglasses) is responsible for the Russian submarine "Scorpion" in Long beach alongside the "Queen Mary" (see photo). On our agenda was a special guided tour through U-461 MF1055 and thereafter a visit of the WW2 missile museum. They invited us to return a visit to Long Beach. 73 de Mario DJ8NU (in the photo left)
