

KENWOOD

Celebrating 70 Years of Kenwood TS-590SG Anniversary Edition

Kenwood proudly introduces the 70th anniversary limited edition of the renowned TS-590SG. This "Special Black" anniversary version of the TS-590SG is identified by a special serial number. Quantities are limited in the US market to 230 units.

Based on the TS-590SG, this anniversary edition has the Special Black front panel with a distinctive VFO. The optional SO-3 and VGS-1 are included with this edition and will require your simple installation.

Each owner of this special anniversary edition will receive a special VibroCube key, made especially by Vibroplex as part of the celebration.

MC-60A Desk Microphone is optional.

U.S. ship to addresses only, limited to 230 units. Vibrocube Kenwood Edition by Vibroplex will ship from Kenwood within 60 days of receipt of radio.
