Tektronix		Oscilloscope (didn't get model number)	\$50.00
Vibroplex	Various	Key, antique; hard to price but think \$100 each	\$100.00
CDE	Ham IV	Rotator and control box	\$50.00
		Tower	\$0.00
		Tribander beam	\$0.00
		Misc cables / Ant in Garage	\$0.00
		Misc books, valuble, but hard to sell	\$0.00
<p>Note: I canvassed the internet looking for prices on eBay and eHam.net. The prices above reflect about half of what you would be able to get if you sell on eBay or eHam by yourself. This discount is what I expect a dealer to offer you.</p>
