

## **PRESS RELEASE** **Zorro JH1AJT – Silent Key**

March 23, 2022

INDEXA, the DX community, and the world lost a great man. Zorro, JH1AJT, died on March 22, 2022 after a long battle with cancer. Until the end, he was optimistic; cheerful; and most importantly, concerned for his fellow human beings, especially disabled children. Through his schools and his humanitarian trips in Asia and Africa he brought a better life to all of those he touched.

We of the DX community are deeply indebted to him. He contributed generously to DXpeditions and encouraged and mentored operators. Without Zorro's support our log books and our memories would be less than they are.

Zorro's legacy and a deep bond will live on within INDEXA. He established and endowed INDEXA's Humanitarian Aid Fund. Through it, Zorro's helping hand will always be extended.

We called each other "brother." But he was truly a brother to us all and all of us will miss him.
