

## SJRA Member Interest Areas

| Activity                                | Enjoy<br>Regularly | I would like to know more |
|---|--------------------|---------------------------|
| CW operation                            |                    |                           |
| SSB operation                           |                    |                           |
| Digital Modes (PSK31, WSPR, RTTY, etc.) |                    |                           |
| VHF/UHF Operation                       |                    |                           |
| Satellite Operation                     |                    |                           |
| EME/Moon Bounce                         |                    |                           |
| Working the Top Band                    |                    |                           |
| QRP Operation                           |                    |                           |
| DX Chasing                              |                    |                           |
| Fox Hunting                             |                    |                           |
| Electronic Trouble Shooting             |                    |                           |
| Classic Rig Restoration/Operation       |                    |                           |
| Designing & Building Antennas           |                    |                           |
| Contesting                              |                    |                           |
| Rag Chewing                             |                    |                           |
| Software Development                    |                    |                           |
| Remote Rig Control                      |                    |                           |
| APRS                                    |                    |                           |
| SSTV & ATV                              |                    |                           |
|   |                    |                           |
|   |                    |                           |
|   |                    |                           |

I would like to participate in periodic informal “bull sessions” with other club members who share one of the above interest areas.

YES      NO

Write In Topic (s) \_\_\_\_\_

I consider myself an “Elmer” in the following area(s):
