

Welcome

Having served as the chairman for SJRA's Twenty-Fifth Anniversary celebration, I am especially proud today, 25 years later, to present this gala affair commemorating a half century of progress in Amateur Radio.

I wish to express our sincere "thanks" to those who helped to make this banquet one to remember and I hope this gathering will give you all the opportunity to meet old friends and make new acquaintances.

Thanks for helping us celebrate our fiftieth year of continuous activity in amateur radio.

A Message from the President

Welcome, members and guests, to the SOUTH JERSEY RADIO ASSOCIATION'S gala evening. Tonight's festivities combine the best features of two ham favorites; Banquet and Hamfest.

First, naturally, is the Banquet. The uniqueness of a 50th Anniversary Banquet needs no further promotion. Second, is the Hamfest. Although somewhat overshadowed in this our 50th year, the Hamfest influence, after 18 consecutive years, is again present tonight. Prizes, renewing old friendships, making new ones, the souvenir program booklet--all these maintain the hamfest flavor. Have fun, reminisce a bit perhaps, and depart with the thought that people, such as ourselves, are precisely the reason why ham radio clubs, such as SJRA, will continue to celebrate significant anniversaries in the years to come. Hope to CU at the next one!
