### 1969 - 2019: 50th anniversary of the First Man on the Moon

The Milford Amateur Radio Club will operate N1A (Neil #1 Armstrong) in celebration of the 50th anniversary of the First Man on the Moon. Club members will operate between July 14th through July 28th as availability permits on various bands and modes. There will also be a local field operation from East Fork State Park at the Indian Mound Shelter on the July 20th anniversary.

The station will be available via SSB, Digital and CW modes across the HF bands. Watch the spotting networks to find us!

### How to QSL

- Domestic US stations can request a QSL card with an SASE.  
Non-US Stations can request a QSL card with an SAE and \$2.

- Please send all QSL card requests to:
