

South Jersey Radio Association

▶ Kit Building Event

Wednesday, December 28th 7pm at the Gibson House.

Please bring a kit and some basic tools. Some suggested kits are:

- [Balun Kit](#) \$17.99 Amazon
- Pacific Antenna/QRP Kits: <http://www.qrpkits.com>
- 20m & 40m or 17 & 30m dual band dipole kit: \$25. <http://www.qrpkits.com/dualbanddipole.html>
- Learn to solder robot badge: \$3.95 <https://www.spikenzielabs.com/Catalog/blinkies/the-learn-to-solder-robot-badge>
- 2m J-Pole Ribbon Cable Antenna \$18.99 <https://www.amateurradiosupplies.com/product-p/11503.htm> Amateur Supplies

Or Bring Your Own Kit (BYK)!

The kit should be a relatively simple kit that can be completed and tested in two-hours. Everyone will need to download and print any directions that comes with their kit.

Or come and watch or help others.

Some suggested basic tools:

- Safety Glasses.
- [Soldering Station](#) \$17.99 Amazon
- [Wire Cutters - Set of 3](#) \$12.99 Amazon
- [Solder Helping hand or Vise](#) \$24.99 Amazon
- Small hand tools such as needle nose pliers, screwdrivers etc.
- Tape Measure or ruler.

Several members have volunteered to help out if you have any questions on assembling your kit.

This should be a fun & social meeting. There will not be a virtual presentation (in person only). We look forward to seeing you at the meeting.
