PURPOSE & GOALS :

Hamfest Chattanooga is a gathering of licensed amateur radio operators, plus those with an interest in becoming licensed amateur radio operators, and a focal point for education & awareness about Amateur Radio.

It's also a gathering of vendors which are regular dealers or sellers of Amateur Radio-related gear, equipment, and accessories, and also licensed amateur radio operators desiring to sell equipment, gear, and accessories previously-owned or new.

There will be several FORUMS that will appeal to those interested in ham radio.

Here are the speakers:
