

## Camporee Update #2

May 11, 2011

Dear Unit Leader,

This is the second update to be sent to Unit Leaders:

**Using a GPS:** If you are using a GPS to navigate to the Camporee, the physical address is 500 Sea Girt Ave, Sea Girt, NJ 08750.

**Parking Passes:** Passes have been mailed to each Unit Leader and should be received over the next few days. Each pass is the size of half a sheet of paper and individually numbered. If you have full sheet passes, the line in the center is for you to cut them in half. One pass will have a Cargo Vehicle Pass sticker attached to admit a vehicle to the Cargo Vehicle Corral.

**Unit Rosters:** The required Unit Roster form has been posted on the NJSP Camporee page at [www.JerseyShore-BSA.org](http://www.JerseyShore-BSA.org) and is the ONLY acceptable roster. Please do not bring Troopmaster printouts, handwritten notes, etc. as they will not be accepted at registration.

**Cooking:** There are to be no ground fires at the camporee. If you plan on using charcoal to cook a meal, please ensure it is contained in a grill. We suggest propane stoves to eliminate the concerns caused by disposing of coals from charcoal cooking. We also suggest that your Scouts have a bagged lunch to minimize their time away from the events

**Snacks:** There will be NO food vendors on site at the event, but the Trading Post will stock beverages, snacks and candy on Friday and Saturday.

**Dinner:** Each troop is encouraged to invite a Trooper or Guardsman to dinner in your campsite!

**Evening Show:** Each participant will be receiving an LED Glow Stick in their gift package, which we ask for them to bring to the Evening Show on Saturday as part of the program.

**REMINDER: NJ State Troopers Eagle Scout Association special offer:** The NJSTESA will be offering a limited edition t-shirt for sale at the Trading Post starting on Friday evening. This amazing shirt design has been prepared to serve as a perfect Class B uniform shirt and raise funds that go directly back to supporting local Scouting. Quantities are EXTREMELY limited, so be sure to get yours early on Saturday!

Please continue to direct any questions not addressed by the Leader's Guide or updates to the Jersey Shore Council Camping Team at [Camping@JerseyShore-BSA.org](mailto:Camping@JerseyShore-BSA.org). Thank you!

Sincerely,

2011 NJSP Camporee Committee
