

Celebrating Our 58th Year

**Classes Start  
@ 8:00 AM  
At The GCARC  
Clubhouse  
In Mullica Hill, NJ**

*Saturday, June 3, 2017*

# **Ham-Cram** **License** **Class**

***Ham-Cram Preparation Classes For The Technician and General Class Licenses at the Gloucester County Amateur Radio Clubhouse***

<b>8:00 AM: Technician Preparation Class Begins</b>	<b>11:30 AM: VE Exam Session</b>
<b>12:30 PM: General Preparation Class Begins</b>	<b>5:30 PM: VE Exam Session</b>

There is no cost for the preparation classes. There is a \$15.00 fee for taking the VE Exam. You can take the VE Exam for any class of license with or without taking either preparation class.

***The only requirement for taking the Technician Class license preparation is a desire to be a ham.***

You must have passed a Technician Class license exam before taking the General Class license exam.

If you are attending to upgrade your license class, please bring an original or a copy of your license. For either exam, you must also show a photo ID such as a driver's license.

If you pass the Technician Class exam, you can take the General and Amateur Extra Class exams at no additional cost, as long as the exams are taken at the same VE exam session.

Please feel free to bring snacks, a beverage, or lunch.

**Advanced registration is required due to limited space  
Please contact Urb LeJeune, WIUL at: [urb@ham-cram.com](mailto:urb@ham-cram.com) or call 609-937-5487**
