

Revised September 2023

JAMBOREE on the AIR and INTERNET

Quick Reference Guide – 2023

66th JOTA / 27th JOTI – October 2023

Start: October 20th at 1800h

End: October 22nd at 2359h

JOTI and JOTA both run the full 48 hours local time.

However, not all stations will be on the air the whole weekend. Best time is usually Saturday morning through mid-afternoon with most stations around the world participating.

JOTI IRC SERVERS

These chat servers are **just for Scouting**, and used all around the world on JOTI weekend.

If using an IRC client, connect it to:

chat.scoutlink.net port **6660-6669**

If you are not using an IRC client and want to use webchat instead, open your favourite web browser and point it to:

webchat.scoutlink.net

Choose a **chat channel**: **#english**, **#francais**, **#international**, **#hamradio**, **#leaders** or many more... and start chatting. See the **JOTI Guide** for a list of available channels and languages.
